**Notes:**

1. The Nutrition Sciences Track is an excellent option for students seeking to enter the Premedical Education track, such as Medical School, Physical and Occupational Therapy School, Dental School, Optometry School, etc.
2. The Nutrition Sciences Track does not meet the requirements for a Supervised Practice, leading to eligibility to become a Registered Dietitian. However, students can take 6 additional courses (NHM 253, 372, 373, 374, 475, BER 345) to meet the eligibility requirements.
3. Students seeking a **Verification Statement**, **must** maintain an overall GPA of 3.0 or higher. Must make **B-** or higher in all "NHM designated" food and nutrition major courses including BER 345 (or equivalent). May only have a total of 2 retakes in one "DPD Professional Course" (NHM designated and BER 345), or 1 retake in up to two different DPD Professional Courses (excluding original attempt) to earn the required grade. Must complete the courses required for the DPD, and/or complete a bachelor's degree.
